

Geography Syllabus

Northside Christian School

Mr. Leland

Goals:

1. Be able to locate the major countries of the world.
2. Identify the topography of the major countries of the world.
3. Identify the natural resources of the major countries of the world.
4. Identify the economies and governments of the major countries of the world.
5. Describe the cultures of the major countries of the world.
6. Know how to communicate with and witness to people from all over the world as a result of a basic knowledge of where they live.

Text:

Geography for Christian Schools Second Edition, Bob Jones University Press 1998

Supplies needed:

One 3-ring binder, notebook paper, three dividers, colored pencils and at least one black pen and one red pen at all times. Anyone not having these items will be considered “unprepared for class” and will receive demerits accordingly.

Grade determined:

35% of the grade will be from the daily homework (includes quizzes and other written assignments)

65 % of the grade will be from tests, notebook grades and reports.

Parents may view a record of grades in the front of their child’s notebook or on Head Master.

Daily assignment Calendar:

Daily assignments will be posted in the classroom up to one week in advance. Students are encouraged to write their assignments down as soon as they are posted. Any verbal announcement given in class about assignments will be considered a second notice and a friendly reminder. The assignments may also be found through Head Master at the school website: ncslions.org

Make-up Work:

Students will have the day they come back from an excused absence plus one day for every day they were absent to make up missed assignments. Work that is not turned in will result in a zero.
